A MONTH OF MUD, FROST & FANTASTIC COMMITMENT

February continued where January left off — wet, cold and challenging! Waterlogged pitches, heavy rain and freezing mornings have certainly tested everyone's resilience.

But once again, our Colts families have shown exactly what grassroots football is all about.

A massive well done to all our players for turning up week after week with smiles on their faces, ready to train and compete in tough conditions. And of course, thank you to our incredible parents and carers for standing on the sidelines in the wind and rain — your support does not go unnoticed.

This winter has truly highlighted the strength and spirit of our club.

AGS - KEEPING US PLAYING

With so many grass pitches unavailable across the county, having AGS as a backup venue has been invaluable. It has allowed us to fulfil league and cup fixtures that may otherwise have been postponed.

The feedback from visiting teams and league officials has been extremely positive, and most importantly, it has meant our players have been able to keep playing and progressing despite the weather.

We're incredibly grateful to have that option available during such a difficult spell.

GOALS PROJECT - COMPLETE & IN ACTION!

We are delighted to confirm that all of our new goals are now fully installed and being used across the park. It's fantastic to see them in action every weekend!

This project has truly been a community effort:

- A huge thank you to Griffin & Sons for their time, expertise and materials in building the storage system and working alongside us to construct the goals.
- Thank you to Ben Mason for generously donating materials to support the club.
- And thank you to all of our volunteers and members who gave up evenings and weekends to help assemble and install everything — often in some very cold conditions!

Your support makes a real difference to the club and our children.

We're also proud to share that our old goals have now been donated to local schools. Supporting sport within our wider community is something we value greatly, and it's wonderful to see those goals continuing to benefit young players locally.

SUMMER TOURNAMENT - SPONSORSHIP OPPORTUNITIES

Despite the winter weather, planning is well underway for our Aston Clinton Summer Football Tournament — and we're already over half full!

The tournament weekend will welcome over 4,000 people to the park, creating a brilliant atmosphere for players, families and the local community. It's one of the highlights of our calendar and a fantastic showcase for grassroots football.

We are currently seeking local businesses to sponsor elements of the tournament. Opportunities include:

- Pitch sponsorship
- Stands
- Parking attendants
- Medals and trophies

With thousands of visitors across the weekend, it's a great opportunity to support youth sport while promoting your business locally.

If you're interested in getting involved, please contact:
