Hi Representative,

I would be happy to assist you with those in the meantime. Could you please forward me the complaints you received so that we are able to meet our legal requirement to review any allegations?

Thank you,

Jane

Thanks for the quick reply. I don't want to bother the commissioner for a tour, I'm more looking to do some oversight. Have received some complaints and want to follow up.

Good Morning Representative,

Unfortunately, we do not have any availability for a tour on Friday. The Commissioner accompanies all legislative tours, so I will need to schedule with her availability in mind. Would you like me to work on finding a date/time with her assistant?

Thank you,

Jane
