Professional Image Management

Professional Image Management looks at all aspects of personal and business presentations in order that you may put yourself across more effectively and portray yourself and your business with total confidence.

Through the way you dress, the style of your decor and the furniture you choose, the design of your business stationery and use of territory. How to succeed at meetings, presentations and interviews and how to create the right impression when talking to the press or involved in work related socializing.

Image management will be invaluable to anyone who wants to succeed both personally and professionally. Whether conducting or attending a meeting, advancing your career, starting or developing a business, or dealing with the public as a customer or client.

Image management will enlighten you to the impression you make and develop you in creating the best possible lasting impression.

Specialist training and consultancy services are offered in the following;

- Holistic Personal Branding
- Personal Image Coaching
- New Business & Image Development
- Professional Styling

Styling for Central TV Commercial

Confirmation of Booking

Following our telephone conversations, I am pleased to inform you that we will require your stylist services for our forthcoming commercial shoot. You will be required to select a wardrobe, based on the client's brief, for the Telford Shopping Centre commercial to be filmed between the 22nd to the 24th June.

Arrangements have been made for you to visit the centre on Saturday so you can select the wardrobe in preparation for Tuesday. Sizes and pictures of the models will be forwarded to you on e-mail later this week.

If there are any problems please do not hesitate to give me a call.
