SODAS &
BEVERAGES

WE BELIEVE Rooster's has the BEST Broasted Chicken! Broasting is a registered process that builds pressure in the pot which seals in the natural juices while sealing out alsomst 100% of the cooking oil. It is not only the process of frying chickens underpressure, but includes a special marinating process.

Consuming raw or undercooked meats poultry, seafood, shellfish or eggs may increase your risk of food borne illness.
