

Senior Awards and \$500 Scholarships

Many people don't realize that our Senior Awards and Scholarships are given in memory of band and orchestra students and a parent. Over the years, four families have requested that we present these awards in memory of their loved ones that they lost while they were still active in the Band & Orchestra program. Here is a little explanation about the people and their families as well as this year's recipients.

The Harry Scarborough Memorial Award & Scholarship

Harry Scarborough was a band parent who had two daughters, Glenna and Susan, in the band. He was a huge supporter of band fundraisers and was the initiator of the Band Pizza fundraiser back before Joe Corbi existed. His family requested that his Award & Scholarship be given to a student who wholeheartedly supports and is dedicated to the band.

The Todd Armstrong Hall Award & Scholarship

Todd was a trumpet player in the band. He had a musical family and both his brothers Tim and Matt were also members of the band. Todd's family requested a Memorial Award be given to a band student excelling in Scholarship, Music Ability and Camaraderie.

The Tim Carter Memorial Award & Scholarship

Tim Carter was a quiet student in the percussion section. He was the type of person that never missed a practice. He was the first person to arrive and the last person to leave. He also spent hours practicing on his own at home. And so, his family asked that his award be given to a student that shows great dedication to craft.

The Erica Lynne Hikes Award and Scholarship

Erica played the violin in the Orchestra. She was smart, energetic and fun to be around. Her family requested that her award be given to an Orchestra student excelling in musical ability, camaraderie and scholarship.
