

THE GPOINT

Central to GPoint's business model is the GPoint - a proprietary currency used to purchase goods within the GPoint financial ecosystem.

INTRODUCING

GPOINT

GPoint is a multiservice conglomerate headquartered in sunny Los Angeles.

Our products and services range from business logistics solutions to innovative shopping experiences through the GPoint Market!

THE GPOINT COMMUNITY

There are many benefits to the GPoint and being a part of the GPoint community. Most notable is the exclusive access to benefits and deals granted to the community.

GPOINT WALLET

GPoint's latest development is the release of a brand new digital wallet aptly called GPoint Wallet! GPoint Wallet allows users to earn reward cash back points by paying the GPoint Affiliated businesses. You can also send & receive & pay with GPoints!

GPOINT REWARDS

GPoint is a global points that users can send & receive & and pay within the GPoint community.
