How to Purchase a Package

Step 1. Login to the back-office and click on the **Membership Package** option.

The screenshot shows the 'DASHBOARD' interface of the World Crypto Life back-office. The left sidebar contains a menu with the following items: Membership Management, Bonus Management, Membership Package (highlighted with a red box and an orange arrow), Electronic Wallet, Customer Support, and Home. The main dashboard area displays several key metrics: 'Your G-Point' at 8.00, 'Lock IMC' at 2,500.00, 'Unlock IMC' at 0.00, 'Sr. Member' rank, and 'Number of Members' at 2. Below these metrics are sections for 'Announcements', '1:1 Inquiry Board', and 'Archives', each with a table of data. The URL at the bottom is <https://worldcryptolife.com/mail/mypage/dashboard.php#>.

Step 2. Click on the **Purchase** button depending on the package you choose. If you are upgrading your package, then you will just pay the difference of the package total price.

The screenshot shows the 'Membership Package' purchase page. The left sidebar is identical to the previous screenshot, with 'Membership Package' highlighted. The main content area displays five package options, each with a 'PURCHASE' button and a 'WORLD CRYPTO LIFE' logo. The packages are: \$500 (PV: 600), \$1,500 (PV: 1,200), \$4,500 (PV: 3,600), \$9,500 (PV: 7,600), and \$24,500 (PV: 19,600). An orange arrow points to the 'PURCHASE' button for the \$500 package. The footer contains the text: 'Copyright by WorldCryptoLife, LLC ©2019, All right reserved.'

Step 3. You have the option to pay with either **Ethereum**, **Bitcoin** or **USDT**. Click on the box below to agree with the **IMC token** to be locked for six months, then click **Purchase** to complete the payment.

NOTE! Always check your back-office to confirm the IMC tokens were added. If you do not see any tokens, please contact your support team for assistance.
