Assembly required

Made with hardwood solids, engineered veneers, Ash veneers and engineered wood substrate. The cases are finished with a deep Espresso brown wood color. The drawer fronts and headboard trim contrast beautifully with a warm metallic silver finish. The Ash veneer face is laid up in a herringbone pattern and captured with a metal trim with satin nickel color finish. Clear acrylic drawer pulls are captured with metal keepers in a satin nickel color finish. Fully finished drawer boxes with dovetail construction and ball bearing side glides.
