Frequently Asked Questions

Is Start Up North right for me?

This program uses the Kauffman FastTrac curriculum, which is time-intensive and designed for new entrepreneurs and those who have been in business for 3 years or less

Is there a fee to participate?

Early Bird Pricing is $100 until January 1st. After that it is $200 until registration closes on January 28th.

What is the time commitment?

Participants should expect to commit 10 hours per week. This is divided between live training sessions and independent work.

What do I need to have to be successful in the cohort?

- Access to a computer and the internet
- 10 hours per week to devote to live training sessions and independent work
- Commitment to yourself and your business idea
