RODRIGO ROA DUTERTE

THE PRESIDENT OF THE PHILIPPINES

MESSAGE

On behalf of the Department of Tourism (DOT), my warmest congratulations to Ad Asia Conventions & Exhibitions International Corp. (AD ASIA CEIC) on your latest edition of **World Travel Expo (WTE) 2019** from 25 to 27 October 2019.

This three-day expo comes on the heels of the rising demand for travel worldwide. For decades, tourism has experienced continued growth and deepening diversification to become one of the fastest growing economic sectors in the world and a key driver for socio-economic progress.

Today, tourism is a major player in international commerce, and represents one of the main income sources for many developing countries such as the Philippines, contributing 12.7 per cent or P2.2 trillion economic output to the country's 2018 Gross Domestic Product (GDP). This global spread of tourism has produced economic and employment benefits in many related sectors. Last year alone, Philippine tourism generated 5.4 million jobs, chalking up 13 percent of total employment in the country.

These facts and figures hopefully would encourage people to be part of nation-building through tourism by spending their hard-earned travel fund at this latest edition of WTE 2019, which gathers together destination management companies, hotels, airlines, and cruise operators, and allied organizations in over a hundred booth displays.

May this three-day expo help all of you discover and re-discover what to see, where to stay, and what to experience in our many destinations in the Philippines or elsewhere in the world.

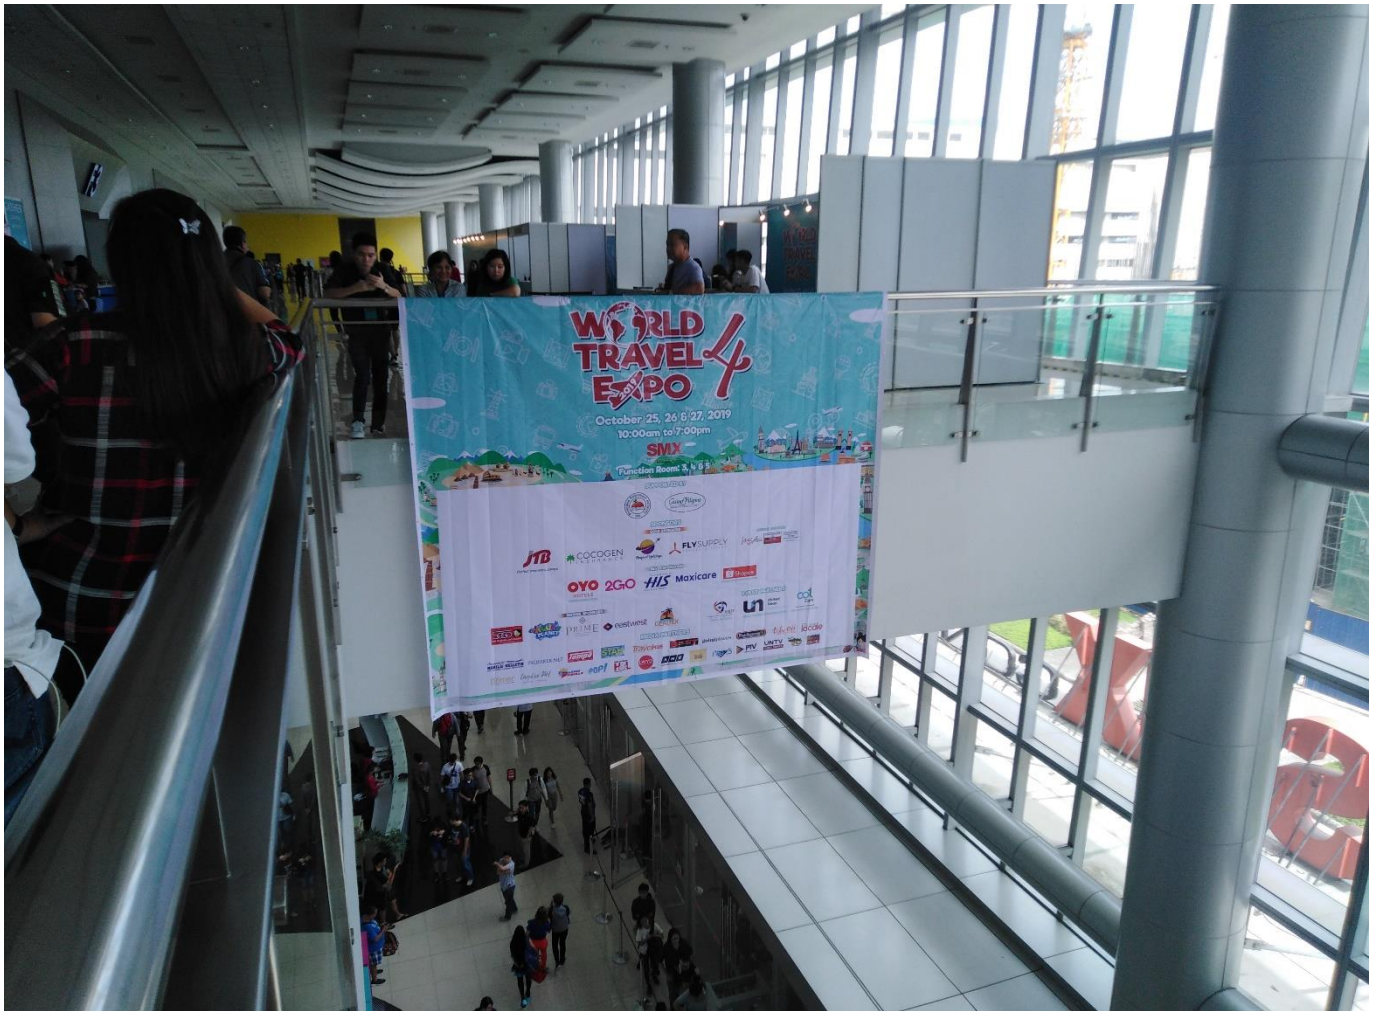

Mabuhay!
