THE CLARION GAZETTE

PRESENTED BY MOUNT ZION WORLDWIDE MINISTRIES

WELCOME TO A PLACE WHERE GOD DWELLS & ITS PEOPLE LIVE BY FAITH AND NOT BY SIGHT, TRANSFORMING ONE PERSON AT A TIME.

ARE YOU A TASTELESS SALT?

We would like to extend our thank you to Prophet Pastor, Emmanuel René, for your commitment unto this ministry and to the calling God has placed over your life.

KEY SCRIPTURE

Matthew 5:13 NLT
A presidential speech of the Kingdom

Salt is powerful. In the Roman days, they used to pay Roman soldiers with currency of salt. Salt was currency, not money. Instead of trading salt, salt was traded. Salt gives flavor, it preserves things. Salt holds things together. As a Christian, we are supposed to be the one that preserves. You're supposed to give flavor to the world. However, the salt has become tasteless. If we can hear the issues of the world inside the church, we know the salt has lost its value. We are in society but not preserving society. When atrocities can happen in the world and the Christian can remain silent, we have lost our salt. We have lost our salt when we are not in the word of God but we are trying to say what the Word means instead of saying what the Word is. Salt is essential for life.

Understand that you have value. There is a purpose for you to be in this world. Know that there is importance in the body that God placed you in. You are supposed to be the salt wherever you go. Salt is sprinkled. Don't forget your part in this gospel. We ask God for everything, but what is your job for Him?

There are certain things that should happen to certain people, but because you are there, it won't happen. You're supposed to preserve your family and friends from going to hell. You are the salt of the Earth. Your position is to be salt. Jesus said if the salt can become tasteless how can it become salty again. You do not become tasteless unless you remove yourself in Jesus because He made you salty. He is the source of your saltiness. We can't allow our saltiness to become diluted in this season. Satan's purpose is for you to lose your praise, your worship, your love of God. He wants you to go back to what you used to do till you have no value in Christ. Don't lose your potency in Christ.

TAKE NOTE ●

WEEK 2

Note To Self For 2024...

I'm loved.

I'm protected.

I'm blessed.

He loves me.

It's my season.

It's my time.

I won't let my past hold me back to the future

He has designed for me.

It's time for me to walk in the fullness of what
God has for my life. I'm forgiven. I'm forgiven.

And I receive.

VERSE OF THE WEEK

"You are the salt of the earth. But what good is salt if it has lost its flavor? Can you make it salty again? It will be thrown out and trampled underfoot as worthless. "You are the light of the world—like a city on a hilltop that cannot be hidden. No one lights a lamp and then puts it under a basket. Instead, a lamp is placed on a stand, where it gives light to everyone in the house."

THE DANIEL FAST

The Daniel Fast is a 21-day fast based on the book of Daniel in the Bible. The guidelines from the fast are derived specifically from Daniel 1:8-14, where Daniel and his friends chose to abstain from rich and luxurious foods and only ate vegetables and drank water. Throughout the course of the book of Daniel, his dedication to the Lord is clear. He prays even under threat of death. He boldly interprets prophecy under the guidance of the Spirit of God, knowing it could anger the king.

Keeping his diet was part of being obedient to God. It was also important because it was a part of maintaining his identity as an Israelite.

Prayer

During this fast, we are not praying for ourselves. We're praying for the Kingdom, for the will of God to come in the land of the living, His protection.

We will be reading the books of the New Testament:
