Mad Lib ~ insert where needed

I don't get what the (adjective) deal is... to me, Feb. 14 is just another day. I really don't understand why every (noun) in the world loves this day so much. First of all, there are all the (shape) decorations, and everything is covered in (color)! Then, you have to make valentines for all the (plural noun) and (plural noun) in your class. Even if you don't like them! Next, our teacher, (plural noun) makes us decorate a (noun) to put our valentine cards inside. Then, on the dreaded day, at (time), everyone passes out their valentines. I don't like to read the (adjective) messages, especially from the (plural noun)! The only good thing about Valentine's Day, is eating all the delicious (plural noun)!
