Read: Psalm 145:3 - Ask: What do you think the writer was trying to say when he wrote these words? How can we connect this verse to our Bible story?

### GO >

Parent/Teacher: We must choose to obey God, to have faith even when we can't see or understand what will happen. In Hebrews 11:1 says, "Now faith is being sure of what we hope for and certain of what we do not see." When we have faith in God, we are showing that we trust Him and believe He can help us, even when things may not turn out to be what we want them to be. By having faith, we are pleasing God and showing Him our love. We are worshipping Him, just like in a Bible verse, He is worthy of our praise.

Close in prayer.

### HIDE IT YOUR HEART >

Parent/Teacher: Say: Filling our mind and heart with God's Word helps us obey God and builds our faith.
