Summertime activity with your family...

Just a Little?

Items Needed: Ingredients for recipe of your choice, rocks

Show how sin affects the whole body of Christ followers by making a dessert (or any type of food) together. Assign each child an ingredient to add. As they add the ingredients one at a time, talk about how good it will taste. When all the ingredients have been added, pick up a handful of rocks and pretend you are going to add them. Give in to the pleas not to ruin the dessert and leave them out.

Talk about it:

Why didn't you want me to add those rocks? Just as a few rocks would have ruined our dessert, it is the same with sin. A little sin will hurt all of us. We must follow God's way, and He wants us to live pure lives. Who wants us to believe his lies? Yes, Satan wants us to believe his lies. We must follow God's commands to walk in purity in our thoughts, words, and actions.

Enjoy your special treat!
