Parents Night Out

Details to come.

The holidays are always a great opportunity to start spiritual conversations with our families. They offer us a chance to build meaningful traditions and point our kids to God, even in a year with so much uncertainty. It is important to remember what

God has done. As trying as 2020 as been I would like to encourage you to create a timeline with your family. On paper write each month and the challenge will be remembering what occurred each month. Include big things and small things, good things and bad things. In the book of Joshua, the Bible talks about how important it is to remember what God has done. For years and years and years, God had been promising to give His special people, the Israelites, their very own country, a place called the Promised land. They used to be slaves in Egypt, but

God rescued them, and in this story He does a miracle by stopping the water of a river so the people could cross over to their new home. Wow, what a big day! The Israelites got a brand new home thanks to God's amazing power, and they didn't even have to get wet going there (Joshua 3:14-17). As you complete your family timeline, some months it may not seem as though God was with you 'that' month -- but God is with us every single day. The same God who was with us in 2020, promises to be with us in 2021 no matter what. Remembering this gives us courage to face the future.

"So do not fear, for I am with you, do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand." Isaiah 41:10
