HOPE: Expect Great Things!

Hope is a feeling of desire for a certain thing to happen. Hope creates a positive attitude toward the future. When we have God on our side, we can have the best type of hope. God give us confident hope when we are hoping for good things. It's no fun to be around someone who always expects the worst to happen. They are always complaining or expecting bad things. You may hear them say things like, "We will probably lose the game because the other team is bigger than us." However, a hopeful mindset will say, "Yes, they are bigger than us, but so was Goliath and God helped David beat him." What kind of mindset do you have?

As we read the Bible, we see that the world needed a Savior. The people were hopeful that a Savior would come because God promised it. They didn't know when or how He would arrive, but they were full of HOPE. God fulfilled his promise when He sent Jesus. The people were so happy. Sometimes, when things are difficult, we forget that we can have HOPE in Jesus...no matter what! When you are having trouble being hopeful, read God's Word and pray.

The ultimate HOPE comes from Him. Here are some Bible verses to dig a little dipper;
Romans 8:24-25, Proverbs 13:12, Romans 5:5, Hebrews 10:23
