Memory Verse: "Now faith, hope, and love remain - these three things - and the greatest of these is love. 1 Corinthians 13:13

## KNOW

Loving God/Loving Neighbor - Community Needs Foundation, Matthew 7:24-27

Jesus liked to teach people by telling stories. These stories are called parables, and they help people understand important things. The story of the two houses teaches us about good foundations. A building needs a solid foundation to be strong. The house built on bedrock was strong, but the house built on sand wasn't strong and fell during the storm. People need good foundations to be strong too. Jesus and his teachings can help us build a strong foundation for our life.

## GROW

- What was the difference between the foundations of the two houses in Jesus' story?
- What happens when we build our lives upon a rock?
- What happens when we build our lives upon sand?
- What is wisdom?
- What are some things you can do to gain wisdom?

## GO

Remind your children that God is good and wants what is best for us. He wants us to build our lives on the rock, because He loves us and wants to take care of us.

We are stronger when we trust in God and give our lives to Him. Building a solid foundation in God's Word helps us become better disciples.

## PRAY

Dear God, thank you for sending your son, Jesus, to earth to die for our sins and to teach us. Help us to trust you and build our lives on the rock. Bless us with wisdom. In Jesus' name, we pray. Amen.
