The Birth of Isaac - Genesis 18:1-15; 21: 1-7

Today's Bible story continues the story of God's special relationship with Abraham's family. God had already made a promise to Abraham. He and Sarah would be the patriarch and matriarch of a whole nation of people! The only problem was that the couple had no children.

GROW

This story is about faithfulness. As you have read, God sent messengers to Abraham to let him know that Sarah would have a son. But Abraham was already old, in fact he's already 99 years old and his wife Sarah is barren and past the age of childbearing. The Lord did for Sarah what he had promised. Sarah became pregnant and bore a son. Abraham gave the name Isaac. What can we learn from our story today? When God makes a promise, He is faithful to fulfill it!!

Read Philippines 2:15

God told Abraham his children would be like the stars in the sky. We are God's people. Use a piece of paper, draw a star and write your name in the middle of it. Display it as reminder to shine like a star in the sky for God. He loves us and has a good plan for us.
