Our mission is to help children come to **KNOW** Jesus Christ, **GROW** to be like Him, and **GO** serve Him.

## DISCIPLESHIP AT HOME

4 ways to pray with your family when you don't know what to pray for or about.

- Praying Scripture > gather your family around and open your Bibles to Philippians. Each person pick TWO verses. Assign the verses to a family member and pray all week for them. For an example Philippians 1:9 says, "I pray that your love will overflow more and more and that you will keep on growing in knowledge and understanding." My prayer to the KFC Families; Dear Heavenly Father, I pray for all the KFC families that they will grow in Your Word and they will love You so much that they would want to share Your love with others. Lord, thank you for loving us and please bless each family. In Jesus' name I pray, Amen.
- Praying Blessing > The Bible is full of blessings where someone is asking for God to favor someone else. Google search "Blessings in Scripture" (suggestion, christianity.com). Read through them and pick one blessing for a family member. Say that blessing in prayer for them all week long.
- Praying Remembrance > Paul in the Bible tells us to pray for our brothers and sisters around the world. As a family, look up www.operationworld.org. There you will find opportunities to pray for people in the world.
- Praying Power > Jesus says in Matthew 17:20, "He replied, "Because you have so little faith. Truly I tell you, if you have faith as small as a mustard seed, you can say to this mountain, 'Move from here to there,' and it will move. Nothing will be impossible for you." As a family, read the story about Elijah in 1 Kings 18:1-15. Is there anyone you may know that needs God's courage to help them? Discuss who that may be and pray for them all week.

Praying is so much more than talking to God. It's a communion with one another as a family, growing in your faith and putting Jesus in your hearts.

I am praying for you this month that your families will grow deeper in God's Word and in prayer.
