First on our prayer list right now, the situation with the covid-19 virus, its impact on our society and on those who have been affected by it. Prayers for all these folks and our medical personnel.

2. Prayers for Michelle Collier and Haden who have been quarantined with covid; coming out on the backside of it now and doing well.
3. Please continue prayers for Whorton Collier, in a skilled rehab center recovering from a hairline fracture after recent hip replacement, and now has tested positive for covid. He's not having many symptoms, just very tired.
4. Curtis Lee and Barbara Gowdy have tested positive for covid. They're doing ok, but continue prayers for their healing.

3. Emily Littlejohn's friend, Casey, who just lost her brother that had been transferred to an out of state hospital, now has her youngest brother on hospice care as well. She has to take care of herself (recovering from 2 rounds of cancer she had last year) and is now sole caretaker of her father who has had some health scares as well. She lost her mother recently, too, so she is struggling with everything. Please send lots of prayers for strength for her.
4. Russell Gilliam has had a recurrence of his cancer and is taking chemo treatments. Prayers for good results from the treatments and strength for Russell and his family.

6. Sharron Allison's whole immediate family has tested positive for covid. Prayers for their return to health.

8. Sheila Rushing asks prayers for her husband, Jim, who is battling cancer.
9. Debbie Littlejohn requests prayers for her friend, Dee, who isn't feeling well and is awaiting covid test results. She's not sure if it's covid or something else, but feels rotten.
