Newcastle Christian Church Prayer Requests
As of January 17, 2020

(Requests remain on the list four weeks unless they are resubmitted.)

Members:

1. Travis Cotten was hospitalized with a possible stroke. PTL, it was not a stroke, but an infection and low levels of potassium and magnesium. He received treatment and has been sent home. Travis and Linda are very thankful for the prayers of a wonderful church family.
2. Norma Riley had knee replacement surgery on January 9th. All went well with the surgery, but she is back in the hospital with dehydration and iv nutrition because she can't keep food down. They have discovered an intestinal blockage which may need surgical removal if they can't remove it with medication. Prayers for her healing.
3. Emily Littlejohn asks prayers for her mom, Debbie, for testing this week and healing from upper respiratory infection.
4. Rick DeWeese requests prayers for Debbie DeWeese, for healing from persistent respiratory problems she's having.
5. Sandy Lucchesi is praising the Lord after the birth of her first great-grandbaby on 1/8. She also has an unspoken prayer request.
6. Whorton Collier is hospitalized after a fall. He sustained injuries in the fall, but he's also having issues with his blood count; they determined that there is internal bleeding and narrowed down to an area of the intestines and are treating it, and they also determined that he is vit. B deficient, so vit B treatments have perked him up. He moved to a skilled nursing center on Friday, Jan. 17th, to build his strength back up.
7. Sharon & Bo Rouse are not feeling well. Prayers for both of them.
8. Cathy White is home now after being hospitalized with a stroke. Prayers for continued healing. She thanks everyone for their prayers.
