### To MSW Members:

The board and operations team has been working diligently on the water system sustainability. After a comprehensive rate and community comparison study, we will be implementing a structure based on overall household usage to better manage our precious resource. We felt it important to include our rate structure for your information and personal water management.

## APPENDIX A RATES

**New rate structure will begin June 2023 and impact September's bill**

**Payment is due 30 days after bill date and late fees are applied.**

### Quarterly Member fee:

\$156.00 quarterly for 39,000 gallons (\$52.00/month for 13,000 gallons monthly)

### Quarterly Overage fees:

39,001–80,000 gallons - \$3.00/1000 (OR) 39,001 - 80,000 quarterly \$3.00/1000

Over 80,000 - \$4.00/1000 gallons

### Water Reconnection fee:

\$100.00 to reconnect water and member is responsible for minimum monthly fee

**Membership Fee:** \$1,000.00 per parcel for new connection

**Membership Transfer Fee:** \$500.00 for existing members transferring to new owner

### Public Service or construction use fee:

Billed to highway districts, cities or fire districts or private businesses as available.

Administration fee - \$50.00

Meter fee - \$500.00

Per 1000 gallons used - \$10.00

Thank you,

**MSW Corporation**
