

ARIZONA STANDS UP!
Fighting for truth, liberty & freedom
Arizona 501©4 Non-Profit

Dear Arizona Business Owner:

We are fighting for you and your business. We are fighting for our children, grandchildren and future generations. We are fighting for individual freedoms in our state.

We need your help. We are initiating litigation against the AZ state of emergency/shut down and mask mandates. Included in this will be Governor Ducey, AZDHS and Maricopa County Board of Supervisors.

We are fighting for all Arizona residents and we need your help. We need donations towards the litigation fund. If you and your business could donate whatever you are able, it will be greatly appreciated. If you could please share this information with others, and ask them to donate as they are able, we can take on this litigation faster as we need to raise the retainer of \$25k quickly. We have an Arizona law firm ready to take this legal challenge. Find out more at our website: www.AZStandsUp.org and donate at: <https://fundly.com/arizonans-for-truth-and-freedom>

We would like to leave this stack of flyers for your patrons. Could you please keep these by your register(s) so your guests can take one and donate to the legal fund?

We thank you in advance and let's fight for our God-given natural rights and freedoms here in Arizona!
