Hope everyone has had a Happy New Year and made plenty of quilting resolutions! Stop in and we will help you keep them. New fabrics and books are arriving weekly and new samples are hung as fast as we can make them.

We have some great things happening at the shop. Kim Diehl's complete line of Wit & Wisdom is now in the shop and as always it is beautiful. In January we are starting a Mini Madness Sew Along making 3" blocks. Then in February we are starting a monthly Vintage Christmas Sew Along using Lori Holt's new book. More information for both sew alongs is below.

Stop in or call to schedule one or more classes. Let us know if there is something you are interested in learning and we'll see about scheduling a class. And make sure you check out our **website** and **Facebook** page to find out about new items, impromptu classes, pictures of class projects, and specials.

Hope to see you soon,
Cindy and Staff
