PRODUCT

WHY SHE BUYS

PURPOSE

APPLICATION

FACIAL CLEANSER

MSRP \$38

Net Wt. 177.4 mL
6 Fl. Oz

She needs a daily go-to cleanser for all skin types, to begin and end the day with fresh, hydrated skin.

Removes environmental pollutants, excess oil and makeup, and hydrates and refreshes skin.

Apply as the first product used in your morning and evening skin care routine. Moisten face with lukewarm water and apply a small amount to face and gently massage into skin. Rinse well.

AHA/BHA EXFOLIATING CLEANSER

MSRP \$47
Net Wt. 177.4 mL
6 Fl. Oz

She's looking for a light exfoliant to reveal younger-looking skin.

An elegantly formulated exfoliating cleanser that gently scrubs away dead skin, improving the appearance of skin tone and texture.

Apply as the first product used in your morning and evening skin care routine. Moisten face with lukewarm water and apply a small amount to face and gently massage into skin. Rinse well. Use as tolerated.

REJUVENATIVE TONER

MSRP \$38
Net Wt. 177.4 mL
6 Fl. Oz

She needs a balancing post-cleansing step gentle enough to use every day.

Gently refines skin, restores pH balance, and removes dirt and impurities.

Apply daily after cleansing. Apply toner to a cotton ball and gently smooth over face and neck.

AHA/BHA CREAM

MSRP \$44
Net Wt. 56.7 g
2 Oz.

She's looking for a daily light cream to reveal younger-looking skin.

Exfoliates and improves the appearance of skin tone and texture revealing brighter skin.

Apply twice daily after cleansing, toning, and applying treatment products. Apply a small amount to face and gently massage into skin.

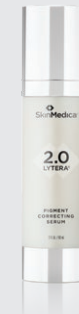

SENSITIVE SKIN CLEANSER

MSRP \$38
Net Wt. 177.4 mL
6 Fl. Oz

She has sensitive skin, but needs to cleanse twice a day.

Gently removes environmental pollutants and cleanses while providing hydration for sensitive, dry and post-procedure skin.

Apply as the first product used in your morning and evening skin care routine. Moisten face with lukewarm water and apply a small amount to face and gently massage into skin. Rinse well.

2.0 LYTERA®

MSRP \$154
Net Wt. 2.0 Oz
56.7 g

She has dark spots or patches on her face resulting in an uneven skin tone.

An advanced Pigment Correcting Serum, formulated to address the appearance of stubborn skin discoloration.

Apply twice daily after cleansing and toning skin in the morning and evening. Lytera® 2.0 can be applied to the entire face, neck, chest, or other affected areas.

PRODUCT

WHY SHE BUYS

PURPOSE

APPLICATION

PRODUCT

WHY SHE BUYS

PURPOSE

APPLICATION

GLYPRO RENEWAL CREAM

MSRP \$94
Net Wt. 56.7 mL
2 Fl. Oz

She is looking for exfoliation, antioxidants and hydration in one simple product to use daily.

Antioxidant-infused hydration combined with glycolic acid to encourage skin renewal and softness.

Apply in the evening after cleansing and before applying other treatment products. Apply a small amount to back of hand then (using fingertip) and apply evenly over entire face.

REDNESS RELIEF CALMPLEX®

MSRP \$88
Net Wt. 45 g / 1.6 Oz

She has reoccurring redness on her face and is looking to reduce its appearance, not just cover it up.

A moisturizer clinically shown to reduce the appearance of facial redness.

Apply in the morning and evening. Some patients with sensitive skin may experience a temporary tingling sensation after application.

HA⁵ SMOOTH & PLUMP

MSRP \$68
Net Wt. .05 Oz

She's ready to make her lips appear more smooth and plump without an invasive procedure.

A two-step treatment clinically shown to plump the appearance of lips while providing the same smoothing and hydrating benefits of HA⁵ Rejuvenating Hydrator.

Apply as needed throughout the day. For optimal outcomes use three or more times daily to achieve long term results. Can be applied under or over lip cover.

RETINOL COMPLEX

MSRP \$62 / \$78 / \$93
1 Fl. Oz
29.6 mL

She is looking to use a clinically proven topical retinol with minimal irritation.

Skin renewal that helps reduce the appearance of fine lines with minimal retinol irritation. Appropriate for all skin types.

Apply in the evening after cleansing and toning and before applying moisturizer. If a retinol product has never been used before, begin twice a week 2-3 days apart, increasing frequency slowly until daily use is tolerated.

HA⁵ REJUVENATING HYDRATOR

MSRP \$120
Net Wt. 28.4G / 1 Oz
MSRP \$178
Net Wt. 56.7G / 2 Oz

She's looking for a way to smooth skin instantly and increase its suppleness over time.

Provides immediate smoothing in the appearance of fine lines and wrinkles and supports the skin's natural ability to replenish its own hyaluronic acid for overall skin health.

Because HA⁵ Rejuvenating Hydrator is a "water-loving" substance, wet fingertips prior to applying to skin. Apply twice daily before your moisturizer.

SCAR RECOVERY GEL with CENTELLINE®

MSRP \$44
Net Wt. 14.2 g / 0.5 Oz
MSRP \$102
Net Wt. 56.7 g / 2 Oz

She has a new scar and wants a simple, effective way to reduce its appearance without an invasive procedure.

Softens and minimizes the appearance of red or pink scars.

Apply in the morning and evening after the wound has healed. Use should continue until the scar appears flat and white without redness.

PRODUCT

WHY SHE BUYS

PURPOSE

APPLICATION

TNS ESSENTIAL SERUM®

MSRP \$281
Net Wt. 1.0 Oz
28.4 g

She wants an all-in-one skin rejuvenation product to improve the appearance of fine lines, wrinkles, skin tone and texture to give her more healthy, youthful-looking skin.

Synergistic effects of growth factors and antioxidants enhance skin tone and texture and reduces the appearance of fine lines and wrinkles in 4 weeks.¹

Apply in the morning and evening after cleansing and toning. Dispense on the back of hand and blend together before applying to skin.

TNS RECOVERY COMPLEX®

MSRP \$220
Net Wt. 1.0 Oz
28.4 g

She is looking for a product to reduce the appearance of fine lines and wrinkles and enhance skin tone and texture to achieve younger-looking skin.

Clinically tested to reduce the appearance of lines and wrinkles and enhance skin tone and texture in 90 days.²

Apply in the morning and evening after cleansing and toning. Apply to your entire face (neck and chest if desired).

LUMIVIVE® SYSTEM

MSRP \$265
Net Wt. 1.0 Oz
per Bottle

She wants to amp up her skin care routine and have a radiant glow.

LUMIVIVE® will protect her skin from the harmful effects of environmental pollution and blue light, while letting skin recover rapidly.²

LUMIVIVE® System should be applied daily — one pump of LUMIVIVE® DAY and one pump of LUMIVIVE® NIGHT should be applied after cleansing in the morning and evening, respectively.

PRODUCT

WHY SHE BUYS

PURPOSE

APPLICATION

ILLUMINIZE PEEL®

She wants brighter, healthier-looking skin without extended downtime.

Helps provide vibrant, radiant looking skin with minimal downtime. Appropriate for mild skin imperfections as determined by a physician.

Peel must be administered by a licensed medical professional (a physician, aesthetician or a nurse under a physician's supervision).

VITALIZE PEEL®

She wants radiant skin without extended downtime.

Helps provide vibrant, radiant looking skin with minimal downtime. Appropriate for mild skin imperfections as determined by a physician.

Peel must be administered by a licensed medical professional (a physician, aesthetician or a nurse under a physician's supervision).

REJUVENIZE PEEL™

She's looking to expedite the reduction in the appearance of fine lines and wrinkles.

Smooths the appearance of fine lines and wrinkles. Appropriate for moderate to severe skin imperfections as determined by a physician.

Peel must be administered by a licensed medical professional (a physician, aesthetician or a nurse under a physician's supervision).

SKINMEDICA®

PRODUCT

WHY SHE BUYS

PURPOSE

APPLICATION

PRODUCT

WHY SHE BUYS

PURPOSE

APPLICATION

DERMAL REPAIR CREAM

MSRP \$129
Net Wt. 48 g 1.7 Oz

She is looking for next-level moisturizing with high levels of antioxidant vitamins to prevent moisture loss and promote smoothness.

Ultra rich moisturizer helps prevent moisture loss and improves skin smoothness to restore skin's natural beauty.

Apply twice daily after cleansing, toning and applying treatment products. Apply a small amount all over face and gently massage into skin.

TNS CERAMIDE TREATMENT CREAM™

MSRP \$69
Net Wt. 56.7 g/2 Oz

She needs a protective barrier post-procedure as skin restores its moisture balance.

Hydrates and helps restore skin's barrier function and moisture balance.

Apply a small amount to face and gently massage into the skin twice daily after cleansing, toning and using treatment products.

REJUVENATIVE MOISTURIZER

MSRP \$58
Net Wt. 56.7 g / 2 Oz

She needs a daily hydrator light enough to combine with other products.

Helps nourish, hydrate and rejuvenate skin.

Apply twice daily after cleansing, toning and applying treatment products.

ULTRA SHEER MOISTURIZER

MSRP \$58
Net Wt. 56.7 g 2 Oz

She needs moisture light enough to wear daily.

Lightweight non-comedogenic moisturizer that provides facial hydration and improves the overall appearance of skin.

Apply twice daily after cleansing, toning, and applying treatment products. Apply a small amount into hand and gently massage into skin.

REPLENISH HYDRATING CREAM

MSRP \$66
Net Wt. 56.7 g / 2 Oz

She needs a go-to hydrating cream to use twice daily.

Hydrating Cream that hydrates as well as refreshes, soothes and nourishes sensitive skin.

Apply twice daily in the morning and evening. Apply after cleansing, toning and treatment products, and before sunscreen in the a.m. Apply evenly over entire face (neck and chest if desired).

PRODUCT	WHY SHE BUYS	PURPOSE	APPLICATION	PRODUCT	WHY SHE BUYS	PURPOSE	APPLICATION
 <p>ESSENTIAL DEFENSE MINERAL SHIELD™ TINTED SPF 32</p> <p>MSRP \$38 Net Wt. 1.85 Oz / 52.5 g</p>	She is looking for a daily sunscreen that offers a high level of protection with a touch of color and light coverage.	A sunscreen with a touch of color, this slightly tinted, lightweight formulation provides the highest level of UVA protection available, along with UVB coverage in a mineral shield that's gentle to skin.	Apply liberally 15 minutes before sun exposure. Reapply at least every two hours.	 <p>TOTAL DEFENSE + REPAIR SPF 34</p> <p>MSRP \$68 Net Wt. 2.3 Oz / 65 g</p>	She needs UV + IR protection on a daily basis.	Revolutionary superscreen goes beyond UV protection to defend against harmful infrared rays while supporting the skin's ability to restore itself.	Apply in the morning, as the last product in a skin regimen, at least every 2 hours if in direct sunlight. Apply generously to face and other sun-exposed areas.
 <p>ESSENTIAL DEFENSE MINERAL SHIELD™ SPF 35</p> <p>MSRP \$38 Net Wt. 1.85 Oz / 52.5 g</p>	She is looking for a daily sunscreen that offers a high level of protection with sheer, light coverage.	This sheer, lightweight, mineral sunscreen provides the highest level of UVA protection available, along with UVB coverage to protect skin from damaging rays.	Apply liberally 15 minutes before sun exposure. Reapply at least every two hours.	 <p>TOTAL DEFENSE + REPAIR SPF 34 TINTED</p> <p>MSRP \$68 Net Wt. 2.3 Oz / 65 g</p>	She needs UV + IR protection on a daily basis and a tinted product that can stand on its own.	Revolutionary superscreen goes beyond UV protection to defend against harmful infrared rays while supporting the skin's ability to restore itself.	Apply in the morning, as the last product in a skin regimen, at least every 2 hours if in direct sunlight. Apply generously to face and other sun-exposed areas.
 <p>ESSENTIAL DEFENSE EVERYDAY CLEAR™ SPF 47</p> <p>MSRP \$38 Net Wt. 1.85 Oz / 52.5 g</p>	She has oily or combination skin and needs a go-to sunscreen that offers a high level of protection, is light enough to combine with other products and has a higher SPF.	A lightweight, sheer sunscreen is ideal for oily and/or combination skin, providing the highest level of UVA protection available, along with UVB coverage in a formulation that won't clog pores.	Apply liberally 15 minutes before sun exposure. Reapply at least every two hours.	 <p>TOTAL DEFENSE + REPAIR SPF 50+</p> <p>MSRP \$68 Net Wt. 2.3 Oz / 65 g</p>	She needs strong UV + IR protection to use on a daily basis to accommodate her active lifestyle.	Revolutionary superscreen goes beyond UV protection to defend against harmful infrared rays while supporting the skin's ability to restore itself.	Apply in the morning, as the last product in a skin regimen, at least every 2 hours if in direct sunlight. Apply generously to face and other sun-exposed areas.
 <p>VITAMIN C+E COMPLEX</p> <p>MSRP \$102 29.6 mL / 1 Fl. Oz</p>	She's looking for vibrant skin with great tone and texture.	Improves the appearance of skin tone and texture with vitamins C & E.	Apply each morning after cleansing, toning and applying TNS Recovery Complex® and before applying moisturizer. Apply a single pump onto the back of hand and gently apply to skin.				

Targeted Treatments

PRODUCT	WHY SHE BUYS	PURPOSE	APPLICATION	PRODUCT	WHY SHE BUYS	PURPOSE	APPLICATION
 <p>ACNE TREATMENT LOTION</p> <p>MSRP \$56 Net Wt. 56.7 g / 2 Oz</p>	She is looking for daily targeted treatment for acne.	Helps reduce the number of acne blemishes.	Apply twice daily after cleansing with Purifying Foaming Wash and toning with Purifying Toner. Apply a thin layer and use as long as needed to help clear up acne blemishes.	 <p>TNS EYE REPAIR®</p> <p>MSRP \$102 Net Wt. 14.2 g / .5 Oz</p>	She's concerned about her age showing around her eyes.	Reduces the appearance of fine lines, wrinkles, and dark circles.	Apply to the skin underneath eyes and around the outside corners of the eye area. Avoid eyelids. Apply a thin layer with fingertip to the skin.
 <p>GLYPRO DAILY FIRMING LOTION</p> <p>MSRP \$77 177.4 mL / 6 Fl Oz</p>	She wants the skin on her body to be firm and smooth.	For the body. Enhances skin firmness to help keep skin soft, supple and smooth.	Apply twice daily in morning and evening to the desired area on the body.	 <p>UPLIFTING EYE SERUM</p> <p>MSRP \$60 Net Wt. 14.2 g / .5 Oz</p>	She is looking for a way to soothe the appearance of puffiness and fine lines around her eyes.	Smooths the appearance of skin around the eyes and reduces the appearance of puffiness and fine wrinkles.	Apply to skin adjacent to and beneath the eye. Avoid upper eyelids. Apply a small amount to the back of hand and use fingertips to gently massage into skin.
 <p>PURIFYING FOAMING WASH</p> <p>MSRP \$44 147.9 mL / 5 Fl. Oz</p>	She has acne-prone skin, but still needs a daily cleanser.	Acne treatment cleanser that helps clear up acne blemishes.	Apply as the first product used in a morning and evening skin care routine. Moisten skin with lukewarm water and gently massage into skin. Rinse well.	 <p>INSTANT BRIGHT EYE CREAM</p> <p>MSRP \$88 Net Wt. 14.2 g / .5 Oz</p>	She wants to instantly improve eyes' appearance, including dark circles, sagging, puffiness, and lines to help eyes look brighter and more youthful over time.	Key ingredients from Lytera® 2.0 Pigment Correcting Serum, HA ⁵ ® Rejuvenating Hydrator, plus other advanced ingredients create our most comprehensive eye treatment.	Apply a thin layer adjacent to and beneath the eye area and eyelids twice daily.
 <p>PURIFYING TONER</p> <p>The Purifying Toner is only available as a part of the Acne System MSRP \$108.00 Net Wt. 177.4 mL / 6 Fl. Oz</p>	She is looking for post-cleansing balancing to help fight acne.	Toner that targets acne breakouts and promotes healing for a clear, fresh complexion.	First cleanse with Purifying Foaming Wash, then apply Purifying Toner before applying a thin layer of Acne Treatment Lotion.	 <p>INSTANT BRIGHT EYE MASK</p> <p>MSRP \$48 Contains: 6 sets of 2 patches</p>	She wants to optimize her eye regimen with the perfect companion to Instant Bright Eye Cream.	Premium gel patches add the ultimate boost to ultra-hydrate and visibly improve puffiness for enhanced results and youthful-looking eyes.	Apply gel side down onto the under-eye area, smoothing out the edges. Leave on for 15 to 20 minutes and gently peel from the face. No need to rinse. Use weekly or as needed.
 <p>TNS ILLUMINATING EYE CREAM®</p> <p>MSRP \$92 Net Wt. 14.2 g / .5 Oz</p>	She wants to diminish the appearance of dark circles, fine lines and wrinkles around her eyes.	Reduces the appearance of fine lines, wrinkles and dark circles around the eyes and improves skin tone, and texture.	Apply to skin underneath the eyes and around the outside corners of the eye area. Avoid upper eyelid.				

Systems

SKINMEDICA®

SYSTEM

WHY SHE BUYS

PURPOSE

APPLICATION

AWARD WINNING SYSTEM
MSRP \$520

She is looking for a system of products to target her aging concerns.

This combination of winning SkinMedica® products targets the appearance of skin aging, hydration and discoloration.

Following routine twice daily, once in the morning and once at night. Wet fingertips prior to applying HA⁵ Rejuvenating Hydrator to skin. Dispense TNS Essential Serum® on the back of hand and blend together before applying to face, neck and chest. Finally apply LYTERA® 2.0 to the entire face, neck and chest.

SYSTEM

WHY SHE BUYS

PURPOSE

APPLICATION

LUMIVIVE® SYSTEM
MSRP \$265

She wants to amp up her skin care routine and have a radiant glow.

LUMIVIVE® will protect her skin from the harmful effects of environmental pollution and bluelight, while letting skin recover rapidly.²

LUMIVIVE® System should be applied daily — one pump of LUMIVIVE® DAY and one pump of LUMIVIVE® NIGHT should be applied after cleansing in the morning and evening, respectively.

EVERYDAY ESSENTIALS SYSTEM
MSRP \$475

She is looking for an all-encompassing skin care system that promotes healthy, more youthful-looking skin.

This comprehensive system lays the groundwork for a professional-grade skin care regimen.

Twice daily, once in the morning and once at night, apply TNS Essential Serum® and HA⁵ Rejuvenating Hydrator. In the evening, apply Retinol 0.25. If a retinol product has never been used before, begin twice a week 2-3 days apart, increasing frequency slowly until daily use is tolerated. Mild redness, peeling and irritation is expected when using this product. Use Essential Defense Mineral Shield Sunscreen daily, reapplying every 2 hours.

LYTERA® 2.0 ADVANCED PIGMENT CORRECTING SYSTEM
MSRP \$356

She is looking for an all-in-one system that will reduce the appearance of dark spots or patches and also address overall photodamage.

Optimal skin evening, rejuvenation, and UV and infrared protection.

Following routine twice daily, once in the morning and once at night. Wet fingertips prior to applying HA⁵ Rejuvenating Hydrator to skin. Dispense TNS Essential Serum® on the back of hand and blend together before applying to face, neck and chest. Finally apply LYTERA® 2.0 to the entire face, neck and chest.

ACNE SYSTEM
MSRP \$108

She is looking to clear up blemishes and reduce the number of breakouts.

Acne treatment system helps clear up and prevent new acne blemishes.

Apply in the morning and evening as part of daily skin care routine to entire face and neck or other affected area. First cleanse with Purifying Foaming Wash, then apply Purifying Toner before applying a thin layer of Acne Treatment Lotion.

SkinMedica® Minis Collection
MSRP \$199

She wants to trial transformational products that give her hydrating and radiant results within 1 month before buying full size.

A collection of minis designed to give you healthy-looking, GLOWING skin, anywhere you go.

- **Facial Cleanser**—Moisten skin with lukewarm water. Lather into hands and massage into skin. Rinse thoroughly. Use twice daily.
- **LUMIVIVE® DAY Damage Defense Serum**—Apply one pump to the entire face after morning cleansing.
- **LUMIVIVE® NIGHT Revitalize Repair Complex**—Apply one pump to the entire face after evening cleansing.
- **HA⁵ Rejuvenating Hydrator**—Apply twice daily to face, neck and chest after cleansing, toning and treating skin with the LUMIVIVE® System, but before applying moisturizer and sunscreen.
- **TOTAL DEFENSE + REPAIR Broad Spectrum SPF 34/PA++++ Sunscreen**—Apply to entire face, neck, chest, and other sun-exposed areas. Use as last step in daytime regimen. Reapply, as needed, at least every 2 hours if in direct sunlight.

Systems

SYSTEM

WHY SHE BUYS

PURPOSE

APPLICATION

She wants to enhance procedure results, decrease recovery time, and a foundation for flexible regimen building.

Together, Post Procedure Repair Complex and SkinMedica® Restorative Ointment is a dynamic skin care duo that primes skin before and supports recovery after cosmetic procedures.

- **Post Procedure Repair Complex**—Use on clean, dry skin. Gently massage a liberal amount onto the affected area or use as directed by a skin care professional
- **Restorative Ointment**—For ablative procedures (procedures that break the skin). Apply as often as needed to treated area or as directed by your doctor.

PROCEDURE 360 SYSTEM™
POWER DUO
MSRP \$250

She booked a procedure and wants to maximize the procedure benefits and reduce recovery time.

A comprehensive system that supports skin before and after cosmetic procedures. Designed to reduce recovery time, enhance treatment outcome, and promote long term, healthy-looking skin. Featuring Post Procedure Repair Complex, a breakthrough growth factor blend essential to scarless wound healing.

- **Facial Cleanser**—Moisten skin with lukewarm water. Lather into hands and massage into skin. Rinse thoroughly.
 - **Post Procedure Repair Complex**—Gently massage liberal amount onto clean, dry skin or use as directed by a skin care professional.
 - **TNS Ceramide Treatment Cream™**—Use after cleansing, toning and treatment products. Apply small amount to face. Gently massage into skin.
 - **Essential Defense Mineral Shield Broad Spectrum SPF 35/PA++++ Sunscreen**—Apply to face, neck and chest every morning as last step in cosmetic regimen. Also apply liberally 15 minutes before sun exposure, reapplying as least every 2 hours.
 - **Restorative Ointment**—For ablative procedures (procedures that break the skin)
- Before Procedure (Up to 2 weeks)**—Use Facial Cleanser, Post Procedure Repair Complex, TNS Ceramide Treatment Cream and Essential Defense Everyday Clear SPF 47.
- Procedure Day**—Discontinue Facial Cleanser, TNS Ceramide Treatment Cream®, and Essential Defense Mineral Shield Broad Spectrum SPF 35/PA++++ Sunscreen.
- After Procedure**—(For Ablative Procedures Only) Apply Post Procedure Repair Complex, then Restorative Ointment, to treated area up to 3 times daily. Apply Restorative Ointment as needed.
- After skin heals (approx. 3-7 days), discontinue Restorative Ointment, continue using Post Procedure Repair Complex and resume use of all other Procedure 360 System™ products for 2 additional weeks.
- For Non-Ablative Procedures, resume use of all Procedure 360 products (except Restorative Ointment) for 2 weeks.

PROCEDURE 360 SYSTEM™
MSRP \$310

Experience the SkinMedica® difference.

At SkinMedica® we've dedicated years of research to formulate advanced skin care products to deliver optimal results for our patients and the physicians who care for them.

Patients who continue expert care at home will see remarkable results.

CAUTION: Do not use Illuminize Peel®, Vitalize Peel®, Rejuvenize Peel!™ or Retinol Complex if you are pregnant, lactating, or planning to become pregnant. Mild redness, peeling, and irritation are expected when using these products. Use a sunscreen and limit sun exposure while using these products, and for a week following.

CAUTION: GlyPro System products used together may cause irritation.

AHA/BHA Exfoliating Cleanser, AHA/BHA Cream, and all GlyPro products contain an alpha-hydroxyl acid (AHA) that may increase your skin's sensitivity to the sun and particularly the possibility of sunburn. Use a sunscreen, wear protective clothing, and limit sun exposure while using these products, and for a week following.

Most SkinMedica® products are intended to meet the FDA's definition of a cosmetic product, an article applied to the human body to cleanse, beautify, promote attractiveness, and alter appearances. These SkinMedica® products are not intended to be drug products that diagnose, treat, cure, or prevent any disease or condition. These products have not been approved by the FDA, and the statements made here have not been evaluated by the FDA.

SkinMedica® Acne System, Acne Treatment Lotion, Purifying Foaming Wash, and Purifying Toner, are over-the-counter drug products which are formulated and marketed pursuant to FDA's governing regulations set forth at 21 CFR Part 333 Subpart D.

SkinMedica® Total Defense + Repair Broad Spectrum Sunscreens (SPF 34, SPF 34 Tinted, and SPF 50+) and Essential Defense Broad Spectrum Sunscreens (Everyday Clear SPF 47, Mineral Shield Tinted SPF 32, and Mineral Shield SPF 35) are over-the-counter drug products which are formulated and marketed pursuant to FDA's governing regulations set forth at 21 CFR Part 352.

In Japan, the PA rating system is used to classify UVA protection. PA ratings are not an FDA requirement on sunscreens sold in the US.
