\*Yah or Nah: **IDP Spot**

Add one round to the draft, add one IDP spot, and add one IR spot. If it becomes yes. I will type up scoring, etc. for Winter meetings. Defensive spots equivalent to being a little less than a TE when it comes to scoring.

\*Yah or Nah: **Trade Deadline**

Keep at week 11 or move to different week; options are Week 9, 10, 12.

If yes, we will have options. I will type up something to have for Winter meetings. Round limits, limit gaps, no draft pick trades, etc.
