

BUTT DARTATHON

COMBINE, BUSCH VS POUNDERS (INVOLVES BOTTOM TWO FROM EACH DIVISION)

Everyone does it individually, the best cumulative score (fastest time) as a team gets to make first pick in their division, and so forth until they have selected all managers.

All managers (except the defending champion) not competing will make sure stations are up and ready for each contestant along with being refs of the event.

The defending champion will sit back and relax, commissioner will keep track of the times unless already in the Butt Dartathon (volunteer needed), and all other owners can throw water balloons, shoot nerf guns, or water guns during the competition.

I. STATIONS

- a. **Station 1:** First you drink out of a red solo cup; you must drink it all then successfully do a tip cup (unlimited tries). Once complete, run to station two.
- b. **Station 2:** Once at the table, you drink out of another red solo cup (drink all of it) then you take a ping pong ball (one at a time) and hit a beer pong shot (unlimited tries). Once made, run to station three.
- c. **Station 3:** Upon arriving at this station, you drink your last solo cup, and you must finish all of it. After drinking, you get 3 tries to kick a football through the goal post anyway you'd like, once complete, run to station four.
- d. **Station 4:** Here, you do what we all remember and pay ownage to the one and only, "**The Cherry Oasis Butt Dart Toss**". You then from behind the line, grab a dart and throw it at the Cherry's butt dart poster. You must hit the butt before you move on (6 tries). Once complete, run to station five. *Be careful though, you need to hit the butt before moving on. But if you hit the brown eye*

(MARKED WITH A LEAGUE STICKER). You get to give out a shot to anyone at any time during the draft.

- e. **Station 5:** Finally, here you take the bat lying on the ground, put one end to your head and the other to the ground and spin 10 full times, after this you dash as fast as you can, to the finish line!
