Lateral Supervisor, - John Schmuck - 303 888-8174

(After many years as a Lateral Supervisor, Walt Hume has retired, though he will be available if needed. We thank him for his dedicated service to KGIC)

**Please Note: If water is not available during your scheduled time, notify the Lateral supervisor. Additionally, please be available to assist in the determination of the cause for a lack of water at that time.**

**In the event a lateral supervisor is not available, determine as best you can where the disruption to the water flow is occurring. Remove the obstruction and speak to the person at the residence and inform them as to the actions taken (have your copy of the water schedule available to confirm your scheduled time).**
