

DITCHCLEANING: During the annual shareholders meeting, It was decided that the ditch cleaning was to be scheduled on Saturday, April 4th, weather permitting. Due to the Corona virus and the Governors recent directive to stay home and isolate in place, it has been decided that this event will be cancelled. Providing the Governors directive is rescinded, the alternatively scheduled cleaning date of Saturday, April 18th will be used instead. In the event this isn't possible, and with the input of your ditch officers and lateral supervisors, alternative ways of cleaning are being contemplated. In the meantime, those shareholders who are able are encouraged to clean not only their own segments of the ditch, but also the ditch through properties adjacent to yours.

REMEMBER,.. THE CLEANING, MAINTENANCE, AND OPERATION OF THE DITCH IS ON AN ALL VOLUNTEER BASIS. YOUR PARTICIPATION IS NEEDED.

If the cleaning takes place as scheduled, we will meet at Firefly Autism (formerly Sobesky Academy, 20th and Hoyt) 8:00 AM.

All shareholders are expected to clean and maintain the ditch on and adjacent to (if a main lateral) their property in order to minimize costs of cleaning to the company.

ALL DIVERSIONS, OBSTRUCTIONS MUST BE REMOVED FROM THE MAIN LATERAL DURING TRAVEL TIMES & SEE THE NOTE FOLLOWING THE SCHEDULES

Lateral Supervisor, - John Schmuck - 303 888-8174

(After many years as a Lateral Supervisor, Walt Hume has retired, though he will be available if needed. We thank him for his dedicated service to KGIC)

Please Note: If water is not available during your scheduled time, notify the Lateral supervisor. Additionally, please be available to assist in the determination of the cause for a lack of water at that time.

In the event a lateral supervisor is not available, determine as best you can where the disruption to the water flow is occurring. Remove the obstruction and speak to the person at the residence and inform them as to the actions taken (have your copy of the water schedule available to confirm your scheduled time).
