Statement of Need and Target Audience: A faculty of physicians, distinguished as teachers and oncologists, will share their knowledge and experience with attendees at this two-day seminar. The course is designed to give the practicing physician a review of the current treatment management of common malignancies.

Conference Location and Accommodations: The conference will be held in the Sammons Wing at Asheville’s Grove Park Inn and will begin on Friday, October 25th with registration and conclude on Saturday, October 26th. Those wishing overnight accommodations are asked to make their own reservations with a hotel of their choice. Rooms have been blocked at a discounted rate for the Annual Fall Foliage Cancer Conference at the Omni Grove Park Inn and the Hampton Inn - Tunnel Road, however, they go quickly. Visit www.cceinc.org for links to room reservations and alternate hotel recommendations. October is a popular vacation month in the Asheville area, so early reservations are essential. To phone the Omni Grove Park Inn directly, call (828) 252-2711 or (800) 438-5800. To phone the Hampton Inn - Tunnel Road, call (828)255-9220 Group name is Fall Foliage Cancer Conference.

Tuition: The registration fee includes tuition, continental breakfast, two lunches, refreshment breaks and syllabus. Please make checks payable to: Charlotte AHEC

10. Evaluate post-operative radiation therapy to the axilla and chest wall.
11. Discuss the advances in new targets for treatment of triple negative breast cancer.
12. Evaluate diet and exercise data shown to increase length of life for the breast cancer survivor.
21st Century C.A.R.E. is an organization dedicated to cancer patients. We were founded in 1996 and have been growing ever since. Our mission is to provide financial assistance to cancer patients in need, provide cancer education at the community level to patients, cancer care providers and the general public, to support cancer research and to conduct cancer screenings.

Every year we go into the community to conduct a number of screening programs, including skin, head & neck, colorectal, and prostate cancers. Besides the Fall Foliage Conference we also hold community based educational programs around the country. Our popular financial assistance program provides help for cancer patients in need for expenses such as transportation to their doctor appointments, groceries while under treatment, medical supplies, temporary housing, child care, and other incidental expenses related to cancer care. Our belief is that by not having to worry about these necessities, cancer patients can concentrate on what is really important-beating their disease.
31st ANNUAL FALL FOLIAGE CANCER CONFERENCE
“UPDATE ON BREAST CANCER”
