Happy Kiwanis New Year! Ray Anderson, Our new President!

Ray Anderson, our new president, spoke to our group about what he would like to see happen in our club! Ray will be looking for more participation from our club members to be involved with the club and events we have throughout the year!

Next week, there will be sign-up sheets for people to find speakers, socials, and the newsletter. Ray is also looking for 1 more board member.

Interclub is a big thing with Ray, and he plans on scheduling more of them this year - this is when we visit other clubs during their club meetings. It is always interesting to see how other clubs run their meetings!

We also want to thank Richard for getting to club just in time to lead us in the "God Bless America"!

10/2 - Linda Skaathun
10/5 - Robin Watson
10/8 - Steve McClain
10/24 - Tom Hannon

10/22 - Mike & Sue Hahn

October will be our Candy Contest again! Candy goes towards the Fall Festival and the Halloween night in Punta Gorda! The person who brings the most candy (by weight) during October will win a Club lunch! So far, Mike Rooney has the highest amount with Bob Falce in second place!

Our Christmas Card Lane happening Nov 18 - Jan 2nd this year! If you know a group or business that might be interested in putting a card in our Christmas Card Lane, let them know to go to our website for more informations!

We finally have someone new who won the 50/50! Anna Callwood was just as surprised as we were! She won the \$24 prize but did not win the \$178 jackpot.
