The Air Show is Coming! November 1st & 2nd

Denise Dull and Abby White have been busy getting ready for the air show coming up in November. Last year, the air show was canceled because of the hurricanes -this year the show is working around the government shutdown. They are continuing as if the

Blue Angels will be coming because there is too much equipment that needs to be here for the planes and it would be impossible to set it up last minute. Speaking of setting up - it takes 6 days to set up for the show and they have 2 days in which to tear it all down. They have a mighty volunteer crew to get it done!

New Year's Day, 1950 the first air show featured Betty Skelton - the star of the show. This year is the 43rd year of the air show and has been awarded as one of the top 10 "best in the country" for 2 years in a row

The show makes a big impact on our community. Not only does it bring in good revenue for the city of Punta Gorda, but the air show provides over 3.6 million dollars to non-profits.

Volunteers are still needed for Sunday with our group, and there are other volunteer positions open too! It's a great way to be at the air show for free! For more information, go to www.floridaairshow.com
