Round (square) table today!

Today we had an informal round (square) table talk. We discussed the Caring for Kids project and the Christmas at East project. Debbie handed out Paperwork was handed out describing every thing she could remember about the 2 events.

Jennifer R has volunteered to head up the food committee - she will be making sure that everything involving food is taken care of for Christmas at East. We need someone to coordinate the toy purchases for Christmas at East. It would be best that someone who has experienced Christmas at East head it up.

Anyone can shop for toys.

Caring for Kids will begin in August/September!

Look for clearances of children underwear!
