Our guest speakers today were from Loveland Center

Amy Vantries, Program Manager; Lora Carter, Area Director; and clients Jason Mount and Colleen Langley came to tell us about the Loveland Center located on Tamiami Road in Port Charlotte.

Loveland Center is an adult day program for individuals with intellectual disabilities. They currently have 36 clients. The center offers life skills, but also offers opportunities to volunteer in the community. They recently offered a "respite" service about once a month so parents/guardians can get away at night. The center will have a sock hop for anyone with a disability over the age of 16 on Friday. We are looking forward to sponsoring an Aktion club with them!
