Kristy Johnson and Debbie Hemphill Charlotte Harbor School

The last of the President's very favorites - Charlotte Harbor School - did not disappoint! Principal Kristy Johnson and super Para Debbie Hemphill spoke to our group about Charlotte Harbor School. The school is split into 2 main sections - extremely severely physically/mentally disabled and students who are unable to be successful in a regular school setting. Charlotte Harbor is a small center school and does not have the numbers to get the extra things that most regular schools have, and since students come from all over Charlotte and Desoto county, there is no PTA or SEC. Charlotte Harbor is thankful for everything they receive - that is why we are so happy to support them for our Caring For Kids project! We donated \$400-\$500 worth of items for the students there. While students don't realize what we do, teachers and paras deeply appreciate anything we do for them!

**Linda Skaathun,
Florida District Governor
“Serving Minds, Serving Hearts”**

October 1st, our very own Linda Skaathun will be the youngest Florida District Governor for Kiwanis! We were happy to have her at our club today to talk a little about her platform. She will be focusing on mental health which is so important these days. She has many ways to serve in this way, but today she focused on Tommy Mill's last few days as our Governor and his desire to grow Kiwanis across Florida and place Free Libraries around the state. Linda is planning on being at our club next week and at our Installation Banquet!

Sam drew Debbie Hemphill's
number today. Debbie
graciously donated the money
back into the club!
Thank you Debbie!

Stronger together!

All in! Kids win!

Kiwanis Strong!
