Board meeting

Thursday, July 17, 2025:
Round table for our big service
projects!

**Lana, Tara,
Grace (president),
Lydia (Builder's Club),
and Mrs Sara Kuhar**

CHS Key Club

Today the CHS Key Club came to share about their time at the Florida Key Club DCON. These young ladies not only learned about how to become better leaders and how to improve their club, but realized the potential of moving up to bigger positions in the Key Club. Their faculty advisor, Mrs Sara Kuhar, used the time to learn more about different projects the Key Club could do and how to organize different projects. There were 7 young ladies that attended DCON and they were very appreciative of our support! We loved their shirts!

We were also pleasantly surprised to have Lydia, a Builder's Club member! She is looking forward to building the club up next year. Our club was so impressed with her, we made her president of her club! (Unofficially, of course)

We support all these clubs and it is exciting to see young people getting involved in the community! This is why we do what we do!

Happy Birthday!

6/9 Sue Hahn

6/30. Ramon Anderson

Happy Anniversary!

6/12 Debbie & Ted Bailey

6/19 Jayne & Richard John's

6/22 Melissa & Paul Turney

6/25 Mike & Susan Rooney

Mike drew Maureen's number for the 50/50! Finally Maureen gets a turn! She won \$17, but did not win the \$242 grand prize.

Secretary's Corner: a few words from Jim Finch

I emailed everyone a copy of the proposed bylaws for the Punta Gorda Kiwanis Club. The main section of the bylaws is standard language required for all clubs from Kiwanis International (KI). KI made some changes to the disciplinary section with regards to handling members. They are requiring all clubs to approve these new bylaws by the end of June. As we had not updated our bylaws since 2015, the Board wanted to update the "discretionary" section that covers dues, meeting places, officer terms, etc. Please review these bylaws and let Debbie or Jim know of any questions you may have. We require 1/3 of the club members present to approve the bylaws which we hope to do at the June 19 meeting

Jim Finch is chairing the Marketing Committee for the 100th Anniversary Event scheduled for 1/24/26. Ray Anderson, Eddie Webb and Richard Schnur have already committed to assist with this committee. Areas of focus include: Save the Date Card; Written Program for the event night; assist with program sponsorships; social media contacting; contacting community partners including city officials, past members, State Kiwanis leaders, Division 18 clubs, local newspaper; obtain City Proclamation; ticketing/event registration. Please reach out to Jim if you can help with these efforts. Gene Murtha is heading up the Program Committee and Maureen Dahmen is heading up the Decorating Committee
