Paul Polk, Charlotte County Property Appraiser

Paul Polk spoke to us about the Florida Amendment 3 in Florida this November. Paul is always very thorough in explaining our property taxes and today was no exception.

Basically, a yes vote will lower property taxes but won't get rid of them. The Charlotte County would be looking at a 50 million dollar shortfall in 2028 and a 93 million dollar shortfall in 2029 that would need to be made up in some other way like sales tax.

Again, Paul is very informative and passionate about what he does and we were happy to have him at our club today!

October will be our Candy Contest again! Candy goes towards the Fall Festival and the Halloween night in Punta Gorda! The person who brings the most candy during October will win a Club lunch!
