If you watch Survivor and think you would be good at finding hidden immunities - then geocaching would be a perfect hobby for you! Eleven of us met at the Myakka River State Park for lunch and a geocaching session. Jim Finch, a professional geocacher with over 26,000 finds, talked to us about geocaching and then led us on a nature trail where we found 4 treasures! The treasures were very creative and placed there by an artist from Ringling Museum. We all had a great time and have a better understanding of what Jim does. It was a perfect day and we thank Jim for taking time off from work to lead this event!

HAPPY BIRTHDAY

Caring for Kids

We were able to distribute socks, underwear and some miscellaneous items to 8 schools this week from items donated to Caring for Kids. There was a total of 19 bags filled with the items. The schools that recieved items were:

- Charlotte High School
- PG Middle School
- Charlotte Harbor School
- East Elementary
- Sallie Jones Elementary
- Peace River Elementary
- Neil Armstrong Elementary
- Liberty Elementary

This is the first part of the Caring For Kids distribution. There will be a second distribution at the beginning of the 26/27 school year with the cash donations we received. Thank you to everyone who helped and promoted the event!
