

Designer, Muse and Possibilitarian.

Mary is an interior designer and life design guide. She takes a holistic approach to deliberately designing one's life, environment, and lifestyle.

Living Beautifully encompasses body, mind, spirit and environment. It is Whole Life Design. Mary has been trained in a variety of energetic and healing modalities including Feng Shui, she is a Reiki Master, Access Consciousness Bars & Body Process Facilitator, Emotion Code practitioner, Dowsing and more.

Mary also has the gift of synesthesia & can hear and feel color and currently is using this to create her Art from the Heart collection.
