We have lost 99% of our peach crop this winter and 100% of our nectarines & apricots. We want to pass this information onto you so can make your decision on what to order.

We also want to let you know we carry many of the more popular fruits all year long so if your freezer is tight this summer you can stock up later in the year! There might be a price change later in the year so the pricing on this sheet is for our summer sale only.

Order before 10:00 AM on August 8TH for an August 12th pick up date. Mail or bring in order form along with a 20% deposit of total order. If your fruit and vegetables are not picked up on August 12th, your deposit will be forfeited unless you make special arrangements with us for storage.
