It has been brought to our attention this past year that there were some craft items being sold that were not hand crafted by you. We **must** insist that all craft items are hand crafted by you. **If you choose not to follow our guidelines, you will be asked to leave our festival and you will not receive a refund. There will be no political promotions. Kapnick Orchards reserves the right to refuse participation in the festival or ask to have certain products removed that are deemed inappropriate for a family festival.**

By agreeing to these terms, Kapnick Orchard's will not be held responsible for any damage or theft of your property. We have employees working in our building 24 hours a day during our Festival but there is no one that patrols the craft area.

Please be thoughtful of other vendors, our driveway is skinny. **If your set up is going to take more than a ½ hour please unload your vehicle first and move it out of the driveway.** Thanks for your cooperation
