

Baja Nevada Race Information

Thank you for joining us for the 2023 Legacy Racing Series. Below are some general rules & guidelines to follow. Please refer to our Rulebook for information on classes as well as safety regulations and more details on competition regulations.

Registration

1. Please make sure someone from your team goes through Registration PRIOR to your vehicle going through Tech.
2. All drivers/riders and co-drivers/riders must come through registration.
3. Minors will need to have a parent or guardian present to sign insurance waivers, including a notarized form. We have a notary on staff but if you want to get it done beforehand to speed things up email us at info@legacyracing.net for a form.
4. Stop by the Contingency Table to fill out your forms and pick up any necessary decals.
5. Event T-shirts and membership hats will be located in the Registration room, make sure you pick them up when you register.
6. Late registration will be Friday Morning at the start line for Motorcycles & Quads, at Staging for Cars, Trucks & UTVs

Contingency & Tech Inspection

1. All Vehicles must go through Tech inspection!
2. You must off-load your vehicles in the designated parking lot (see Diagram). **DO NOT PARK YOUR TRAILERS IN THE PAHRUMP NUGGET PARKING LOT**
3. Stop by the RacingTrax table to pick up your Tracker. It is mandatory for **ALL** classes. If you have not registered for your RacingTrax Unit please do so today!

Racer meeting

1. Racer meeting is Thursday at 5pm in the Pahrump Nugget Event Center.
2. It is Mandatory to attend the meeting. There must be at least one arm banded member of your team is present. We will call a random 15 names for each meeting. Meeting will NOT be online.

Communications

1. We will be using radio frequency 152.960
2. Please only use this frequency to listen to updates and report any emergencies. This is not for racer updates.
3. If you need assistance on finding your race vehicle or to report them being broke down, see the Pit Captain at any of the 13 pits or the Legacy Box Van at the Finish Line.
4. Helicopters must register with us prior to the event. Please email info@legacyracing.net for Helicopter Registration form.

Start

1. Please be on time to staging! Motorcycles & Quads is 5am. Car, Truck, UTV begins at 8:30am. Please see schedule of events for your specific time.
2. Day 2 Only. Motorcycle & quads will start same order as you finish day one on corrected time. Car, Truck, UTV – Top 40 will start how you finish day one on corrected time. After top 40 start order will be by corrected but by class and follow same class order as day one.
3. Start order for day two will be posted on Legacy Instagram, Facebook, and website late Friday night.
4. You are allowed to top off your race vehicle with fuel at the start line.

Camping

1. Camping in Pahrump is allowed behind the Smith's, Camping is allowed in Tonopah near the Star Gazing Park – Behind Joel Friel sports Complex. The Parking lot next to Joel Friel Sports Complex is only for Off/on Loading. No Camping in this parking lot.

Race Course Information

1. Please stay on the marked course. Short cutting is not allowed and will result in a penalty.
2. Your Pit crew is not allowed to assist you on the race course. Please radio for a Legacy official and they will send someone out to assist you, whether it be a tow, fuel or parts.
3. **Mandatory Pit Stops for Fuel towers & any pressurized fueling – Day 1 - Pits 2, 4, 6, 7. Day 2 – Pits 8, 10, 11, 13. These four pits are the only areas you are allowed to use this type of system. All other pit areas are dump can only. You can use dump cans at all 13 pit locations.**
4. Paved road crossings are a mandatory stop, 25mph speed zone for all race vehicles. All Race vehicles have Seven (7) paved road crossings with two (2) Underpass. There is Four (4) crossings and One (1) Underpass Day 1. Three (3) crossings and One (1) Underpass Day 2. All Vehicles will have Four (4) county paved road crossings that are not a mandatory stop Day 1 and on Day 2 there is One (1) county paved road crossing.
5. If you get a flat tire, do NOT leave it in the desert! You will be penalized one hour if we find a flat that was intentionally left. Please make sure to mark all Tires, jacks, extinguishers etc., this will assist us in returning them to their proper homes if lost on course.
6. Course markings – Yellow is direction, Green is Turn Ahead, White – Wrong Way, Pink – hair pin, White – mile markers, Orange Metal signs – Extreme Danger, Yellow Metal – 90-degree turn-high speed-
7. GPS & Maps Files will be **EMAILED** Monday, May 8. We will NOT be posting online. The email you used at Registration will be the email we will send them to. If you do not get the email, please email info@legacyracing.net with your race number.
8. There is no pre-running, anyone found pre-running **will** be penalized. Legacy Race Officials live in Beatty, Tonopah, Goldfield, Hawthorne, and Pahrump. You will not be able to pass through these areas without being noticed. Please respect the opportunity to race in Nevada and not jeopardize the event for everyone by pre-running.

Pit stops

1. All driver changes must be in one of our designated 13 Pit stops.
2. Please make sure your crew cleans up their pit area including all Pit signs. As much as we would like to re-use your signs, we know they are expensive.
3. Speed limits in the Pits is 25 MPH, this is for your team's protection! Please follow the Speed limit! No stop at entrance of the pit, Must be doing 25 MPH at First 25MPH Sign to avoid a penalty.
4. Pit passes are not required for this event.
5. Please make sure to follow the pit closing times, found in the front of the Chase book.

6. Please refer to our rulebook for all fueling rules & regulations. It is important to follow these guidelines!
7. **For Motorcycles, Quads & Stock Mod & Stock UTVs** – For those worried about the 65 miles between Pit 6 and Pit 7 we will have a fuel trailer head to mile 234 for you to stop and fill up at. Bring a gas can to tech on Thursday, make sure to put your race number on it. We will have the fuel at the location on Friday. You can pick up your fuel can Friday night after the finish or Saturday after the finish. This will only be for Friday. **NO DUMP CANS**

Finish Line

1. This is a high-speed finish. You do not Stop until after you go through the scoring loop.
2. You will Stop at the Stop Sign past the Scoring Loop & Trailer. It's a Large RED sign that says "STOP"
3. Please remove your helmets before you head to the podium to talk to the announcer.
4. Please stick around for post tech if required for your class (6100, 6200, Class 10, Class 5, Turbo UTV, NA UTV, Stock 1, Stock 2, Stock Mod)
5. There will be no Impound at the end of Day 1. You will be allowed to work on your race vehicles after you finish.
6. Awards will be at the Tonopah Convention Center Sunday May 14 at 9am
