# Technology is a tool, ours is EVV

- 21<sup>st</sup> Century Cures Act complaint
- Automated show/no-show alerts
- Real time shift details
- Location verification
- Mobile monitoring of tasks
- Automated data collection/reporting
- Enhanced billing accuracy/RCM

**We are on a mission to help your business thrive:** leverage the power of data and technology. We built our tool to make the right thing to do the easy thing to do.

**Why we created our tech:** We want to revolutionize the process of capturing service delivery in a way that will truly benefit patients and practitioners.

## How it works:

**Create-** fully customizable, generate unique codes to capture whatever data you want to collect

**Scan-** leveraging scanning technology or photo capture to activate data collection

**Collect-** scanned codes will be logged into database where data is authenticated & time stamped
