

AWS CERTIFIED CREDENTIAL

CERTIFIED WELDER: Tilahun Wendafrash

Certification #: 230418043W / 140356160#1

Code: AWS D1.1 Edition: 2020

Effective Date: 04/10/2023 Continuity Expiration: 11/28/2026

Generated On: 06/02/2026

Certification status may change. Scan the QR code or verify on the AWS Global Registry of Certified Welders at <https://my.aws.org/certification/quickcheck>

Note: Credentials issued prior to the WeldCert Pro launch were migrated from legacy systems and may appear in a different format. All migrated credentials remain valid. Credentials issued after launch reflect the current WeldCert Pro and QC-47 standards.
