RULES OF THE SOCIETY

1. Only LACS members and guest artists can sell their art/craftwork in the Gallery shop, unless decided otherwise by the LACS committee. As a LACS member you will be given your membership/stock record number, after your membership is approved.

2. All items must be made, crafted, or published by a member, and must exhibit a high level of artistic skill. Items with limited artistic input won't be accepted, e.g. purchased items with minimal creative content, or basic machine-sewn items with little decoration. Items that breach copyright laws won't be accepted. The Display Committee has the authority to accept or reject stock, and to limit the number of items that members have on display for sale at any one time.

3. Items for sale must be entered into the Stock Book according to instructions provided. All items must be identified with tags (provided by LACS) showing the member's number, item number, price, and a brief description. Tags can be attached with string or tape. Stock must then be put in the storeroom on the black shelves. The display committee will assess all items and, if approved, will display stock in the Gallery and put replenishment stock on the storeroom shelves. Members are not allowed to rearrange display stock.

4. Sales commission of 30% will be deducted from all non-volunteer members' sales. Volunteer members, who do Gallery duty once a month or who assist with an admin role, will have 15% deducted from sales.

5. The Gallery takes all reasonable care of members' work, but members are responsible for ensuring their work is in good condition and correctly priced while it remains in the Gallery. Please note that the LACS Contents Insurance does not include cover for members' or friends' property and/or any stock. Members are responsible for their own insurance.

6. All Members must abide by our Code of Conduct policy, which is available to read in our Hand Book. Any disputes must be referred to LACS Committee.
