LACS 50TH ANNIVERSARY

For half a century, the Leongatha Art and Craft Society has been showcasing the work of the many talented local artists within its membership base.

The Leongatha Gallery is not merely a gift shop selling a treasure trove of original art and craft works created locally in the South Gippsland area, it also brings together a community of like-minded members and volunteers with a passion for everything artistic.

Whether you are an artist looking for an outlet to promote your work or are just interested in lending a hand, the Gallery is a great place to be involved with at any age. New members will be made to feel very welcome.

Hopefully you've been into the Gallery recently, and you've seen how great it looks! The new dark grey carpet and painted feature wall have given the space ambience. Make a point of visiting this beautiful little space, hidden away up the stairs opposite the Post Office, you will be surprised!

Everything on display in the gallery is available for sale – from paintings, prints, pottery, jewellery, photographs, woodwork, glass, knitting, books, fibre and textile art, handcrafted cards, and many other original works of art.

Opening Hours:

Leongatha Gallery is presently open five days a week – Tuesday to Friday from 10:00am to 4:00pm and Saturday from 10:00 to 1:00pm. Opening hours may vary at times and are always subject to the availability of volunteer staff.
