HYBRID INTERLOCK DOUBLE KNIT

PAGE 12 - 15

What is Hybrid Interlock Double Knit?

Hybrid Interlock Double Knit is a 94% Micro Polyester, 6% Spandex blend. The 5.3 oz. weight provides the strength and durability needed in a fabric with the desired heavenly soft and satiny sheen.

We call this

Lion meets lamb in this best-of-both-worlds combination of durability and softness. The reliability of this fabric has allowed us to create a variety of current, on-trend, and exclusive premium designs.

OTTOMAN

PAGE 16 - 26

Why choose Ottoman Knit?

Ottoman knit is a 100% Micro Polyester fabric, the decorating surface of your dreams. The 4.5 oz. weight provides superior durability, with a distinctive interlocking knit pattern adding a subtle, shimmering ribbed texture to the finish.

What we did to achieve this greatness:

Spun a contemporary venerable weave for the jetsetter in mind. Say hello to must have styling, this fabric has been crafted in some of the most unique color-block and solid designs in today's market.

BIRDS EYE

PAGE 27 - 29

Discover the difference with our Bird's Eye Knit

Bird's Eye Knit is a 100% Micro Polyester fabric with exceptional craftsmanship for superior breathability. The 4.5 oz. weight provides effortless comfort with high-performance properties for everyday wear.

This sophisticated, go-to fabric has inspired eye-catching design options for your choice of decorating techniques.

ENGINEER TRACK KNIT

PAGE 35

All aboard!
Find out why you're on the right track.

Engineer Track Knit is a 100% Micro Polyester, fabricated with shining rails of tone-on-tone stripes.

The 4.5 oz. weight accelerates in performance and distinction. Say YES! To this impeccable fabric when it comes to comfort, design and elegance.

MICRO SINGLE JERSEY KNIT

PAGE 36

Less is more,
and we're not just talking value!

Micro Single Jersey Knit is a 90% Micro Polyester, 10% Spandex blend accelerating in comfort, softness and perfection.

The 3.5 oz. weight provides essential elements, allowing an optimum range of motion.

This high performance fabric provides impressive tensile strength in material as sheer and sleek as silk.

ADVANCED MINI CHECKER WOVEN

PAGE 10 - 11

Beat the heat in our 100% Micro Polyester, UPF40 Sun Protected fabric.

The 2.3 oz. weight allows you to explore the outdoors and dry fast, with the durability and strength this fabric offers.

Designed for the active lifestyle, the fabric allows the perfect stretch, comfort, and breathability desired for daily wear.

Don't be fooled! Our fabric has been tested and approved, while others have tried to duplicate, our quality and techniques have proven to be the best in the field. We call this, advanced- allowing in-demand styling options and colors of plenty.

DURABLE PIQUE KNIT

PAGE 30

What makes Durable Pique Knit worthy?

Durable Pique Knit is a 96% Micro Polyester, 4% Spandex blend, delivering durability without the bulk. The 5.0 oz. weight provides ultimate performance while ensuring extra protection.

Say goodbye to course texture, this fabric is tough enough for a challenge but crafted with a soft feel and impressive drape.

The structure of this fabric has inspired high performance, great value and easy uniforming designs.

HYBRID COOLER MICRO PIQUE

PAGE 31 - 33

What is Hybrid Cooler Micro Pique?

Hybrid Cooler Micro Pique is a 92% Micro Polyester, 8% Spandex blend. The 4.0 oz. weight remains structurally fine and resilient. Performance from a Pique, doesn't get cooler than this!

Tip

Known as the long wear with no tear fabric option.

The advanced material of this fabric has provided innovative styles, packed with ingenious features.

MICRO DOUBLE DYE JERSEY KNIT

PAGE 34

Escape ordinary with our extraordinary HEATHER.

Micro Double Dye Knit is a 100% Micro Polyester, conquering both softness and function. The 4.0 oz. weight transform a light and ultra-smooth finish with the perfect drape.

Casual sophistication just met its ultimate performer.

The uniqueness of this fabric is ideal in offering elegance with delicate details yet sturdy enough to heat it, print it or embroider it.
