

Oh, I thought I recognized your last name! And my apologies **I did not read your email or mine when I sent it back. Or this one. I'm very busy man.** You'll have to excuse the grammatical errors since **I do not have time to spend on a person who doesn't vote for me.** Mr. Mook, we don't have a grocery store in Deadwood. So again you're mistaken. Are you starting to get the point?

I will tell you if I received one more threatening email from you. **I will give you a cease-and-desist and the police will be at your door.**

Have a good day, **Mr. Muk.**
