**Emergency Vehicles:**

**B-22:** Apparatus is being checked daily and in service. The brake system will soon need to be serviced and an oil change is needed.

**B-21 (New Heavy):** Apparatus is being checked daily without major issues to report.

**E-22-B:** This unit is not operational due to many issues with it. It has been placed O.O.S.

**E-22:** Apparatus is being checked daily without any major issues to report. The pull string on the chainsaw located in the Driver 2 compartment failed and needs to be replaced.

**T-21:** This unit has been placed in service and is fully operational. It has already responded to multiple fire calls.

**M-21 (New Medic Unit):** This unit has started to leak oil while parked in the bay. It was sent to Siddons for repairs, this unit requires an oil change as well.

**M-22:** The unit is being checked daily and is in service without any major issues to report, currently positioned at Station 1 as a reserve unit.

**M-23:** The unit is being checked daily and is in service without any issues to report. The unit is positioned at Station 2 as a 911 MICU. This unit requires an oil change and new vehicle batteries.

**Rescue 22:** Apparatus is being checked daily and is in service. This unit is still being utilized as a temporary Command. This unit requires an oil change.

**MISC:**

We postponed the ISO audit. If the survey is completed while making these changes, it will negatively affect the outcome.

**Personnel:**

We're currently working on increasing staff of local volunteers. We've also secured 3 part-timers within the Dept. to each work on a full-time shift to supplement staffing. They will begin October 1<sup>st</sup>.

**Administration:**

I'm continuing the transitional process with the change in Head of Department. I've started to assist Brenda in compiling paperwork/Invoices for our end of year audit.

**Training: \*\*\*\*\***

See attached PDF's.

**Stations:**

Crews have started to "Spring Clean" both Stations. No major issues have been reported by staff. There are minor things that need to be fixed. Station 1 kitchen sink faucet leaks water when closed.

**Grants/Donations:** I have been working with the Forestry service through Fire Connect on grants for classes. We did receive a 10,000.00 Dollar grant for training equipment. Our Chief Training Officer is looking at what training items are needed within the Department.
