**Emergency Vehicles:**

**B-22:**

Apparatus is currently in service at Station 2, pump push start is O.O.S. Pull string start still works.

**B-21 (New Heavy):**

Apparatus is being checked daily and in service at Station 2, eventually we're going to have to re-pipe the tank lines. The tank to pump feeder line was replaced. Currently it is operational and at Station 2.

**E-22-B:**

This unit is currently being serviced at Siddons for repairs then will be placed on the market for sale.

**E-22:**

This Apparatus is currently in service at Station 2. A piston valve that had a leak has been replaced with a steamer cap. We're looking into ordering 3 piston valves.

**T-21:**

This unit is currently in service and fully operational. No issues noted.

**(Present time: It is at Station 2 and kept parked in the bay to protect it, with it being new.)**

**M-21 (New Medic Unit):**

This unit is currently in service at Station 2 with no reported issues.

**M-22:**

The unit is O.O.S. service at Station 1, repairs have been made by Siddons and ready to be sold. All medical equipment has been removed from this unit.

**M-23:**

The unit is being checked weekly and is our backup Medic unit. Currently it's located at Station 1.

**(Present time: I believe it will need new front tires soon.)**

**Rescue 22:**

Apparatus is being checked daily and is in service. This unit is still being utilized as a temporary Command.

**MISC:**

We have an abundance of expired medical supplies that's currently being stored upstairs at Station 1.

**Personnel:**

New hires have started on boarding. I happy to announce the two new employee's are firefighter/ Paramedics, full-time Fire/Paramedics puts us at 6.

**Administration:**

See attached Interim Fire Chiefs progress report.

**Training: \*\*\*\*\***

See attached PDF's.

**Stations:**

Currently Station 1 is not staffed. I've taken appropriate measures to maximize savings by keeping everything shut off. Metal clutter from Station 1 and Station 2 has been removed, soon we will haul all trash around both stations to the county dump. During the freeze a multiple pipe busted at Station 1. Recently repairs were made.

**Grants/Donations:**

I'm working with a third party company on the ASSP to recoup funds for non-paid billing from EMS runs. I will elaborate more in person.
